THE ADAMS' CHRISTMASTIME GAZETTE

The Adams took a summer vacation to Breckenridge CO this year. They enjoyed lots of activities there, including biking, horseback riding, and white water rafting. This year, Bobby and Kim are both singing in the Parkway Hills Baptist Church choir. Bobby even sang and danced (sort of) with an ensemble in the Christmas program. Kim plays in the handbell choir and works with the church youth orchestra. She also volunteers at the Frankford M.S. Library and the Plano West Office. She is still co-chairing the photography committee for the Plano West Royales Booster Club.

FOURTEEN YEAR OLD NATHAN KICKS, BLASTS, LOBS, CASTLES, SINGS, PICKS

Nathan, eighth grade, earned his black belt in Tae Kwon Do in the spring. He plays trumpet in the Symphonic band at Frankford Middle School. He also plays on the Tennis team there. He still likes to go play chess on Friday nights at the Dallas Chess Club.

Nathan is involved at church, playing in the youth orchestra and singing in the youth choir. He also has been taking guitar lessons in the School of the Arts at church.

THE ADAMS PLAN ANOTHER MOVE

Bobby's company was in a merger this past year. Bobby has accepted a position with the merged company (Cingular Wireless) which will mean a move to Atlanta, GA after school is out. We'll let you know our new address when we make the move. Your prayers for us as our family makes the necessary adjustments will be appreciated.

SHANNON HALFWAY THROUGH SENIOR YEAR AT PLANO WEST SENIOR HIGH

Shannon, 17, is on the Plano West Royales Drill Team again this year.

Besides her favorite activity (hanging out with her friends), Shannon has been working at a part-time job at a restaurant (first at Cozymel's, now at Tin Star). Shannon's pretty smile was enhanced this year -- she had her braces taken off in the spring.

Shannon is looking forward to graduating in May and plans to attend Baylor University.
