Nathan has milestone 18th birthday

What a busy year Nathan had! He took a mission trip to Montana with his school and another one to Costa Rica with his church. Bobby and Kim took Nathan on 10 college visits – most of them with one or more of Nathan’s friends. Bobby & Kim really loved getting to do that! Nathan decided that he will attend Baylor, but is still making up his mind on a major. This spring, Nathan lettered on the cross-country team at his high school. Nathan continues his love for music, and he especially enjoys playing guitar. Nathan’s good friend, Blair Cosby, lived with the Adams’ for several months attending the spring semester at Mount Pisgah while his parents were in Mexico City.

Nathan runs in the state meet. His team finished 5th at the meet.

Shannon enjoys her summer internship in Paris

Shannon finished her junior year at Baylor and spent most of the summer doing an internship for a small bridal design company in Paris, France. Shannon’s assignments were challenging and fun. She got in lots and lots of sketching. She submitted a line of draft designs to

her boss (for “casual motorcycle” wear – quite an underserved market). She worked on a PowerPoint pitch that her boss made to investors. Lastly, she constructed a muslin bridal gown for a client (which is a needed step before a couture dress is made). Shannon is doing well at school, and is working part-time at Express.

Shannon visits the sites in Paris on a day off during her internship.

MERRY CHRISTMAS TO YOUR HOUSEHOLD FROM THE ADAMS

It is been quite a year for all of the Adams’. Bobby and Kim celebrated their 25th wedding anniversary by taking a cruise to the Bahamas, with port visits at Key West and Nassau. Kim had quite a transition in her life -- entering the full-time workforce for the first time in years. She is now working as the receptionist at Mount Pisgah Christian School (where Nathan is now a senior).

While Shannon was in Paris, Kim comes to visit for a week. Kim and Shannon enjoy a visit to the Musée d’Orsay.
