2008 EDITION

November in Hawaii, San Diego, and aboard the USS Reagan

In mid-November, Bobby and Kim took a trip to Hawaii with Shannon and Shannon's in-laws, Dick and Linda Morgan. The gang met Jason, who was returning on the USS Ronald Reagan aircraft carrier from a six month deployment. Everyone was together for a

few days in Hawaii. Then, Bobby and Dick joined Jason aboard the USS Reagan and cruised from Pearl Harbor back to San Diego (that's right, they were part of the Tiger Cruise!) It was a once-in-a-lifetime experience for Bobby.

The women stayed in Hawaii for a few days more and then

flew to San Diego to meet the ship. Nathan joined the family and they all had a wonderful Thanksgiving together in San Diego!

Bobby and Nathan in Yellowstone

Bobby and Nathan had a great adventure in August, when the two of them took a trip to Yellowstone National Park. They spent four days on a horse pack trip in the back country at Yellowstone. Wildlife that they saw included mule deer, elk, buffaloes, a coyote, prong-horns, and even a grizzly bear (only about 100 yards from their

campsite!). After the camping portion of the trip, they stayed in the area a few extra days to see more of Yellowstone and southern Montana.

More Travel Highlights from the Adams' in 2008

With Shannon and Jason moving to California last year, trips to the west were in vogue this year. In February, Bobby and Kim took a road trip to San Diego, delivering Shannon and Jason's two dogs to them. Kim also spent a week in October with Shannon during Jason's deployment.

Nathan is a senior and will graduate in May 2009 from Baylor. He spent his spring break in Florence, Italy. Kim was blessed to get to spend a few days in Orlando on a women's mission trip, and to go to San Antonio and Granbury with Bobby's sisters, mom, cousin and aunt.
