Kim served on the Spark Ministry Board of Directors, and will serve again in 2011. Spark Ministry provides a way for Christian women to minister to the physical, emotional, and spiritual needs of women who are in difficult life situations through mission trips and retreats. Kim went on Spark trips to Reno, New York and LA this year. Bobby helps when he can (even though it is a

"girls-only" ministry) by helping to keep the Spark internet site, www.sparkministry.org, up-to-date. Bobby and Kim remain active in their church, ParkwayHills Baptist Church. Bobby continues to work at AT&T, and directs the maintenance and operations of the cell sites in the Southwest region.
